

Marius Bear - Boys do cry

Intro

Ooh, ooh, ooh, ooh, Ooh, ooh

Strophe 1

In my room
Lives a boy who could be blue
And you might never know, oh, oh
You think he's cavalier
He would shed more than a crocodile tear
If you go, oh-oh-oh-oh

Refrain

Hearts, they get broken
God only knows why
And sometimes aeroplanes fall down from the sky
And mountains, they crumble
And rivers, they run dry
And oh, woah, oh, oh, oh
Boys do cry

Strophe 2

When night falls
And the moon is all we see
Don't fear the wolf that lives in me, oh, oh
You think he's tough enough
He will cry love ,til the sun comes up
If you go, ooh-ooh-ooh-ooh

Refrain

Hearts, they get broken
God only knows why
And sometimes aeroplanes fall down from the sky
And mountains, they crumble
And rivers, they run dry
And oh, woah, oh, oh, oh
Boys do cry
And how they cry
Mountains, they crumble
And rivers they run dry
And oh, woah, oh, oh, oh
Boys do cry
